SEIU Healthcare

Dear fellow workers,

We are writing to inform you about a new emergency order issued by the Governor of Minnesota due to the COVID-19 pandemic. The order is intended to ensure the health and safety of our members.

The Governor has ordered that all healthcare workers who are not able to work due to COVID-19 be given emergency leave. This is to ensure that we have enough healthcare workers to continue to provide care.

We understand that this may cause some inconvenience, but it is necessary to protect the health of our communities.

If you have any questions or concerns, please do not hesitate to contact us.

Sincerely,

Jamie Gulley
President
